CA = Controlled Assessment

WELCOME TO YEAR 10

Year 10 is the start of an exciting journey of study at Key Stage 4 and we know it will be a very successful journey. Your children achieved well in Year 9, producing some of the best results ever recorded by the school at Key Stage 3. With this excellent foundation built, we have very high expectations for your child at Key Stage 4.

As parents and carers, you play such an important role in your child's success and that has never been more important than now. Success is only possible when home and school work in partnership, working

together to ensure your child is able to flourish, grow and ultimately achieve to their full potential.

As part of that continuing partnership, we would like to share with you some important information about your child's Key Stage 4 studies and what you, and they, should expect over the next two years. Presentations from the RE, English, Mathematics and Science Departments, which were shared on the Information Evening, held on the 2nd October 2013, highlight key dates for you child and will be available on the school website.

CONTACT US

Communication between school and home is central to the success of each student so please let us know of any issues which may be concerning you or your child. Please telephone the school on 01633 653110

For concerns around a particular subject:
Please contact the relevant Head of Department

For any other concerns:
Please contact Mr D Blackwell, Head of Year 10

Other useful contacts around the wellbeing of your child:
Mr I Humpage and Mrs J Morgan, Assistant Head Teachers
