

CUSTOMER NOTICE

Newport Bus Fares Review

From Sunday 4th February 2018

Newport Bus has completed an extensive fares review in order to be able to offer their customers the very best value public transport options on our network of services covering Newport, Cardiff, Cwmbran, Chepstow and Monmouthshire.

The last fare review took place in October 2014 where a number of fares were frozen or significantly reduced. Since the last fare review the company has managed to sustain fares despite increasing costs. We have reluctantly made the decision to increase some fares due to increasing costs throughout our business including bus station departure charges, fuel, labour and parts plus increased operating costs due to increased traffic congestion.

From **Monday 5th March the Unigo smartcard** will be withdrawn. Unigo holders can transfer their existing credit, free of charge, to our Passport Plus product by visiting our Travel Centre in Newport Bus Station. If holders transfer this credit before Sunday 11th February we will add 3 days credit absolutely **free**.

At Newport Bus we want to ensure that we provide our customers the best possible ticketing options so from Sunday 4th February we will be joining the Weekly Network Rider scheme. This ticket can be used on most operators services in South East Wales. (Customers can Visit www.newportbus.co.uk/network-rider for a full list of operators).

Prices for the weekly tickets are;

Ticket	Price
Adult Weekly Network Rider	26.00
Child Weekly Network Rider	17.30
Youth Network Rider	17.30

* Youth Fares are available for 16-18 year olds who have a valid Newport Bus Youth Passport or a valid Welsh Government MyTravel Pass
