

Dear Resident/Annwyl Breswlydd,

IMPORTANT INFORMATION: ALTERNATIVE PARKING

On Sunday 29th April 2018 the inaugural ABP Newport Wales Marathon & 10K will welcome over 10,000 runners and 30,000 spectators to the streets of Newport and surrounding countryside.

To facilitate the event a series of **road closures** will be in place on the day including **Traston Road/Nash Road** between 08.40 and 15.00 (see full road closure map attached).

As local residents of **Traston Road/Lane/Avenue/Close and Nash Road** we have arranged alternative parking for you at **Coleg Gwent, NP19 4TS** which will enable you to come and go throughout the day from 11.15am when a proportion of the A48 and Nash roundabout reopens.

If you would like to utilise this alternative parking option, you will need to relocate your vehicle to the Coleg Gwent car park between 19.00 – 21.00 on Saturday 28th April or between 06.00 - 08.40 on Sunday 29th April before the road closures come into force. You will then be able to exit the Coleg Gwent Car Park from 11.15 and come and go as you please from this site while access to your property is affected by the road closure. Full access to your road will resume at 15.00 and cars should be removed from Coleg Gwent by 18.00.

We apologise for the disruption and hope that you will take the opportunity to come out and support the event but if you have any queries you can contact us at newportwales@run4wales.org / 02921 660790. For more information about the event please visit www.newportwalesmarathon.co.uk
