

Dear Resident,

**IMPORTANT INFORMATION: ROAD CLOSURES IN YOUR AREA FOR ABP
NEWPORT WALES MARATHON & 10K ON SUNDAY 29 APRIL 2018**

On Sunday 29th April 2018 the inaugural ABP Newport Wales Marathon & 10K will welcome over 10,000 runners and 20,000 spectators to the streets of Newport and surrounding countryside – stretching as far east as Magor in Monmouthshire. Runners from all over the UK and hundreds of international participants are expected to attend.

This major sporting event for the city and wider region is set to generate an economic impact of £1.1 million into the local economy, as well as raising nearly £1 million for good causes and charities.

To facilitate the safe passage of participants, it will be necessary to implement road closures along the route. Details on these can be found on the map overleaf with **precise road closure timings** and when to expect the first runners around the route. Please note, we work closely with the emergency services and their access to the route will not be affected by the event.

We apologise in advance for any inconvenience this may cause and assure you that we will try to keep any disruption to a minimum. We wish to thank you for your understanding and we are grateful for your support and cooperation.

If you are not taking part we encourage you to turn out on the day to join the thousands of spectators who will be cheering on the runners, or why not get involved and support by volunteering!

For more information about the event please visit www.newportwalesmarathon.co.uk and if you have any queries you can contact us at newportwales@run4wales.org.
