Dear Parent/Carer

Re: Contact groups in Year 8

As you know, we are regularly reviewing our school Risk Assessment in order to ensure we are doing all we can to keep our school community safe.

I share your frustrations and disappointment when having to send home 240 children each time there is a positive case of Covid-19 in your child's year group. Therefore, during the last week, we have been particularly focusing on exploring whether we are able to facilitate smaller sized contact (bubble) groups.

As I am sure you can appreciate, in a very large secondary school which has been strategically zoned to prevent year groups mixing, there are a significant number of logistical constraints when considering reducing the size of contact groups. With over 1500 pupils and 50 form groups, we need to ensure all pupils have safe access to the canteen, toilets, outside space and that they experience a broad curriculum appropriate to their needs.

In order to reduce contact group size and ensure the safety of all the pupils, there will need to be some compromises.

From Thursday 10th December, your child's contact group will be their form class. This will mean that if there is another confirmed case of Covid-19, only the children in the form class will need to self-isolate.

In order to facilitate form class contact groups, there are a number of changes we have had to make:

1. Changes to breaktime and lunchtime

A significant change to your child's day will be that they have to experience either a breaktime or lunchtime in their form classroom. This is so that each form class can safely access the limited outside space we have available. Please see the table below for more information.

2. Changes to canteen facilities

As your child will not be able to access the canteen, if they wish to buy lunch, they will be able to pre-order their lunch each day during their morning form period. We are not able to offer food at breaktime, so your child will have to bring to school any snacks and drinks they want for their break.

3. Changes to class groupings

As you are aware, for most subjects, your child is taught as a form class. The exceptions being mathematics, games and PE. From Monday 7th December, your child will be taught in their form class for all of their subjects including mathematics, games and PE.

In order to maintain the integrity of each contact group, when in school, your child must not socialise with any pupils outside of their form class. I understand your child may have made friendships with other pupils and may be disappointed about this. However, this is the only way of ensuring that, if there is another confirmed case of Covid-19 in your child's year group, only the form class will be required to self-isolate.

Mrs Webster, Head of Year 8, will be contacting you and your child next week to confirm the arrangements for Thursday 10th December.

I am grateful for your continued support as we work collectively to keep everyone safe, while providing continuity in learning.

Yours sincerely
