Dear Student

I have had notification of a core inspection by Estyn which will take place on Monday 2nd March to Thursday 5th March, 2026. It is Estyn's job to ensure that schools provide the best educational experiences for the young people that they serve.

Your form tutor will briefly explain this process to you. In your assemblies this week, Mr Nunn and I will be able to provide a little more detail. Please know that there is nothing for you to worry about. This is a great opportunity to share your amazing talents beyond our school community.

Inspection explained

Below, you will find a link to a short video explaining what you can expect during the Inspection week:

Survey

During the week, Inspectors will want to hear from you, and they will listen to you in meetings and in your lessons. However, a really important way that they listen to your views about school is through a survey. Below, you will find a link to a survey which needs to be completed and submitted **by 11:00 p.m. on Thursday 12th February**.

When you are completing the survey, please note that the 'back' button should not be clicked on the browser once the questionnaire has been submitted as this may result in duplicate responses being recorded.

Please do take this opportunity to share what you honestly think of our school, what you enjoy as well as what we could do a little better. I know that you will provide really helpful feedback so that the Inspectors gain a true sense of our school.

If you have any questions about this process, please ask your form tutor or your trusted adult in school, and they will be more than happy to answer your questions - or find someone who can.

Cofion cynnes
