

Children's Healthcare

The way that we provide healthcare in Gwent is changing

When The Grange University Hospital opens (scheduled for 17th November 2020), our children's hospital services will change.

Children who require emergency treatment will go to The Grange University Hospital where specialist children's doctors and nurses will be centralised. All children's hospital beds and the **Children's Emergency Assessment Unit** will also be at The Grange University Hospital.

The Royal Gwent Hospital, Nevill Hall Hospital and Ysbyty Ystrad Fawr will continue to provide a wide range of routine outpatient appointments for children and certain elective day case surgeries.

Local **Minor Injury Units** for children (aged over 1 year) will remain at The Royal Gwent Hospital, Nevill Hall Hospital, Ysbyty Ystrad Fawr and Ysbyty Aneurin Bevan. **All children aged under 1 year old will be seen at The Grange University Hospital.**
