Congratulations

We can stand in the storm but the wind will not blow us away, we will simply adjust our sails...

Mrs J Jarrett, Headteacher

I would like to take this opportunity to thank everyone for their support at the beginning of this term whilst we all get into our new routines. It has been wonderful to see all our students return to school. We have been hugely impressed by the attitude of pupils; behaviour has been exemplary. Pupils have been kind, warm and welcoming. They have arrived back in school ready to ask questions and ready to work hard. They have engaged with safety measures and followed our instructions. We can ask nothing more.

During the summer, our young people achieved enormous success at GCSE and Advance Level. Their results have been achieved through an incredible amount of hard work from our students, high quality teaching and learning from our talented staff, and through the excellent partnerships built with you. We are proud of every single child who has achieved qualifications with us this year.

Reflecting on the last couple of months has strengthened my belief that there are many aspects of life which are important for our children, not just exam results, but also human wholeness, laughter, fun, caring for others and spirituality. I pray for all our young people who have received their results as they embark on their next steps. I am sure that these qualities, having been nurtured at home and at school, will remain with them for the whole of their lives.

Welcome to our new Year 7 pupils

I would like to send a very warm welcome to our new Year 7 pupils and their families as they begin their learning journey here at St Joseph's RC High School.

I know we have needed to adapt to a 'new normal' of distance transition and blended learning since March, but the students have taken this in their stride and have settled into school life really well.

I am pleased to see so many students wearing our school uniform with pride and already creating new friendship groups along the way. Members of staff stop me daily in the corridors to say how actively the students are participating in their classroom and home based work. I have also been overwhelmed, not just by the number of students who have applied for a School Council role, but also by the quality of the applications.

We are so excited here at St Joseph's to see how each individual will thrive over the coming years as they hone in on their own passions and future dreams. I hope to see as many of them take full advantage of all of the extra-curricular activities we have on offer. I know that this year group has made such a powerful impression already; the standard has been set so let's maintain this positive attitude. **Cer amdani! Go for it!**

Mr O James, Head of Year 7

Keep up to date on the Year 7 Twitter page <u>@SJHSMrJames</u> and the whole school twitter page <u>@SJHSnewport</u>

Year 11 Success Llwyddiant Blwyddyn 11

Congratulations to these pupils who achieved five or more A/A* grades at GCSE.

The grades they were awarded are testament to the hard work they put in throughout their studies. We are confident their excellent academic achievement is the start of things to come and wish them all the best in their future endeavours

We are incredibly proud of the achievements of all of our pupils, whose hard work throughout their school career earned them the GCSE success we celebrated in August. This year, 75% of our pupils achieved five or more A*-C grades, including an English and Mathematics qualification. A staggering 37% of pupils achieved five or more A*/A grades and 99% of pupils achieved five or more A*-G grades. These are truly fantastic results and demonstrate the continuing, committed partnership between home and school. An enormous well done to all our talented and conscientious pupils.

We would also like to congratulate these pupils whose resilience and strong work ethic has enabled them to make excellent progress throughout their studies. We are proud of all of our pupils who have met or exceeded their personal targets and we wish them great success in their new chosen pathways. Finally, a special thanks to these pupils whose commitment, passion and enthusiasm has permeated all aspects of school life. They've represented the spirit of St Joseph musically, theatrically, academically and pastorally.

AS/ALEVELS

A Level Success

We were delighted with the continued success of our Year 13 pupils this year. In spite of uncertainty surrounding results on the actual day of publication, all of our year 13 pupils who wished to attend university have again been successfully placed. 48% of pupils have been placed at prestigious Sutton Trust 30 institutions, an increase of 6% on last year. At every indicator, our pupils achieve beyond expectations and once again we have been placed in the top 25% of post-16 providers in the UK with the ALPS system.

As all of our pupils also take the Welsh Baccalaureate Qualification in addition to their A Level subjects, their performance is even stronger, and this additional qualification provides pupils with many experiences, including the completion of a research project which will support their learning at university. 29% of pupils achieved 3A*-A grades, with 84% of pupils achieving 3A*-C grades. 100% of pupils achieved the Level 3 Threshold.

We are rightly very proud of these pupils and the staff who have worked with them throughout their time at St Joseph's. There were many instances of individual success stories, including our highest achievers, Daivon Adeyemi, Molly Baria, Thomas Cowan, Emilia Godfrey, Kamran Hussain, Molly Johnson, Jessica King, Julia Nycz, Zoe Paginton, Jacob Pauly, Joseph Thompson, and Ellis Winstone, who all achieved a minimum of 2A* grades. There were also stories of individuals who through persistence and determination achieved their target grades and earned a place at the university of their choice; a number have accepted apprenticeships with organisations or employment across South Wales and the West. As they now take the next step in their academic careers, we wish them every possible success and happiness for the future, and thank them for everything they have given to the school during their time with us.

AS Results

Once again, our Year 12 pupils have managed to bridge the gap between GCSE and A Level with a superb set of AS results, again achieved in very challenging and unusual circumstances.

There were many examples of pupils achieving above and beyond expectations and they are now well on their way in taking the first steps towards their next pathway. Special mention must however go to the following pupils who all achieved a minimum of 3 A grades: Ellis Bailey, Dylan Chua, Thomas French, Elizabeth Goddard, Daria Horzela, Olivia Ingles, Elena Kingston, Mateusz Kuczynski, Grace Larsen, Jelena Lazic, Anntressa Mathews, Zaid Mathieson, Rhys McCartney, Jobe Pennells, Janice Prince, Rona Roy, Phoebe Sparrow, Giovanna Thomas and Madeline Wood.

A number of our pupils have also spent time over the summer attending virtual summer schools with Oxford and Sutton Trust universities, with others undertaking online work experience, interviews, and other university courses, where they will have honed their intellectual curiosity in preparation for their final year. We would also like to congratulate all of our collaborative pupils who had great success with us at St Joseph's, and our pupils who benefitted from the opportunities and teaching offered at our partner institutions. Again, we wish them every possible success.

WELCOME TO THE SIXTH FORM

We are thrilled to welcome our new Year 12 students into the sixth form at St Joseph's.

Even though this is going to be a very different year for them, we know that they can achieve great things and follow in the footsteps of our incredibly successful year 13 students. Many have already registered for additional online courses to help their future plans, and the SEREN group is up and running.

Year 13 have continued their excellent performance record, and UCAS applications are already well underway.

Keep up to date on apprenticeships, information downloads and important dates in the Sixth Form sections of our website, UCAS or on your Twitter page @sjhs6form

Look at your Google Classroom everyday. They are full of essential information about lessons, homework, independant study, UCAS, career opportunities and more.

You should be now have codes for all of your classes if not please check our website and download the list. <u>Google Codes List</u>

THE NEW NORMAL

So what's new at St Josephs?

Mr Abraham Teacher of Science

Mrs Crowley Cover Supervisor

Mr John Cover Supervisor

Mrs Sharda Teacher of Science

Mr Durrant Teacher of Technology

Let's welcome some great new teachers; a temporary new timetable; lunch grab bags; and our wonderful new head pupils...

Miss Smith Teacher of RE

Cover Supervisor

Miss Bignall Cover Supervisor

Mr Taylor Teacher of Science/Maths

Introducing our new Head Pupils:

We would like to congratulate all our new head pupils on their new role, we are very proud of them.

Jelena

Hi, my name is Jelena and I am delighted to be representing St Joseph's as one of the Head Girls this year. I'm currently studying Business, Criminology and Sociology and aspire to study Business Management at university next year.

Some advice I'm sure a lot of pupils would benefit from hearing is that failure shouldn't be feared. Great growth comes from failure and obstacles that you face only make for a great success story once you overcome them.

Mateusz

Hello, I'm Mateusz Kuczynski and I am a head student at St Joseph's RC High School this year. I'm currently studying Maths, Biology, Chemistry and Physics at A Level and I hope to study medicine at university next year.

Anntressa

My name is Anntressa Mathews and I'm currently studying Biology, Chemistry, Mathematics and Welsh Baccalaureate with the hope of becoming a doctor one day. Representing the intrinsic values and principles that has built such a vibrant, supportive community is an undeniable privilege.

Having taken an active role in improving school life, from organising fundraisers to serving hot cocoa at the CAFOD cafe, I hope to continue making an impact and leave my mark on the institution that has served me for so long.

Jelena Head Girl

Alex Head Boy

Sophie Head Girl

Wilfred Head Boy

Anntressa Head Girl

Shayana Head Girl

The Fortnight Learning Plan will be available each fortnight on the Monday afternoon. Please click relevant link below. Please encourage your child to ask their subject teacher any questions they have related to the homework tasks set during lessons. Pupils can also post direct comments on the Google Classroom to their subject teacher if needed.

Blended learning will continue to play a very significant part in your child's progress for the next academic year and onwards throughout their education. At St Joseph's RC High School, we use Google Classroom.

Main features for our students are:

Assignments: this allows students to HAND IN work and for teachers to comment, mark and return.

Material: this allows students to access a range of material to include Google Docs, Google Sheets, all Microsoft documents, pdfs, YouTube, videos, etc.

Question: students can reply to each other or the teacher.

Quiz: students can answer and submit.

If you encounter any technical issues when logging into SJHS Google Classroom, please contact IT Support in the first instance:

techsupport@sjhs.newport.sch.uk

Dates for your diary 2020 Autumn Term TYMOR Y HYDREF

September	
1	Inset Day
2	Induction day for Year 7
3	Induction day for Years 11 and Year 13
4	Induction day for Years 8, 9, 10 and 12
28	Year 7 School Photos
October	
7	Year 7 Welcome Mass
20-22	OPEN MORNINGS for Year 6 parents
25	Years 10-13 Art Trip to Oxford
26-30	Years 8-13 IT Trip to Berlin
26-30	HALF TERM

November			
2	Year 11 Eng Lang GCSE (selected pupils only)		
3	Year 11 Numeracy GCSE (selected pupils only)		
4	Year 11 Eng Lang GCSE (selected pupils only)		
5	Year 11 Maths GCSE (selected pupils only)		
5	Year 7 Pastoral Evening		
26	Year 8 Parents Evening		
27	Inset Day		
30	Inset Day		
December			
3	Year 13 Parents Evening		
10	Year 12 Parents Evening		
14	Key Stage 4 and 5 Celebration of Excellence		
17	Advent Service and Christmas Concert		
18	AUTUMN TERM ENDS		

Please be aware these dates might change due to unforeseen circumstances.
