STATEMENT OF AIMS

INTRODUCTION

The school undertakes to engage with the provision of the Education Reform Act in that it offers pupils the opportunities to prepare for the responsibilities and experiences of adult life. This means raising the awareness of the need to prepare for choices, changes and transitions that will affect their future in the life-long learning process. The school's provision is informed by the publication, *Careers and the world of work: a framework for 11 to 19-year-olds in Wales* published by the Welsh Assembly Government in 2008.

5. **EVALUATION AND REVIEW**

The monitoring of the CWW programme will be essential for effective evaluation.

- A review will take place annually involving Careers Wales and T.Nunn (AHT)
- The review will evaluate the programme in terms of agreed outcomes against set criteria.
- The review will set targets as appropriate for the following year.

Careers Wales meet with Tim Nunn each September to agree the "partnership agreement" and plan for the year and half-way through the year to review how Careers Wales contribute to CWW in school.

Careers Wales Mark: The school achieved the Careers Wales Mark (2019) and will look to achieve this again in the future. The key focus in 2024-25 is to ensure Careers Education and links to employers become more visible and impactful in all subjects across the curriculum.
