-Want to find out more about resources and events listed below?

To book places for your school, please complete the [activity expression of interest form](#) - select all the activities you are interested in and a member of staff will be in touch.

-Events for your Diary:

Rethinking (with Languages) Workshop: Year 10-13

Hosted by Dr Eleanor Hodgson, this interactive session will provide an introduction to the study of Modern Languages at university level, focusing on the topic 'The role of rap in multicultural France'.

When? 11 February. Book now

-Junior Researcher Competition: Year 10 and 11

Participants will complete a set of online tasks and produce a short piece of written work or vlog about an area of research that they have chosen themselves. All submitted work will earn participants a certificate to recognise their status as a University of Exeter Junior Researcher. The winner will receive a £50 voucher and an exclusive VIP guest talk for their school.

When? Competition opens 1 March! Book now

-International Women's Day Activity Week - #ChooseToChallenge: Year 10 upwards

Join us for a full programme of activities to celebrate International Women's Day. This programme will feature Zoom sessions and online content linked to the subjects taught at the University of Exeter.

When? 8-12 March (and on demand) Book now

- Women in STEM Day: Year 10 upwards

Our online Women in STEM event focuses on connecting participants with aspiring female scientists. The interactive workshops will be led by University of Exeter Undergraduate students who will share their experience of studying STEM subjects and their ambitions for the future.

When? 10 March. Book now

- How to Save the World Subject Conference: Year 10 and 12

This event will address the United Nations' Sustainable Development Goals, helping students investigate and understand the global issues the UN wants to solve by 2030. Sessions span Humanities and STEM subjects from across our campuses. Sessions run throughout the day - you will be able to book those most useful for your school.

When? 18 March (4 bookable 1 hour sessions) Book now

Events and Resources to support your students >>

- Resources to support your students:

- University of Exeter Study Buddies: Year 12 and 13

Featuring practical guidance on reading, writing, researching within Humanities and Social Sciences, these study packs include videos filmed by University of Exeter Study Buddies who share experiences of using these skills at university. Virtual sessions can be arranged to suit your timetable.

[Find out more](#)

- Virtual Student Shadowing Videos : All years

University of Exeter Student Ambassadors have produced short, virtual student shadowing videos giving viewers an insight into what studying at university is like for them at the moment

[Find out more](#)

- University of Exeter teaching staff share their stories: My Path To series : All years

These videos provide an insight in the teaching community at the University of Exeter. Each video demonstrates the range of pathways that speakers have taken and many share personal details of barriers they have overcome
