Not a nice tag to have

*Why do you look at the speck that is in your brother's eye, but do not notice the log that is in your own eye?*

*"Or how can you say to your brother, 'Let me take the speck out of your eye,' and behold, the log is in your own eye?"*

*"You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye."*

*Matthew 7:3-5*

Everybody  
isn't your friend.

Just because  
they hang around  
you and laugh with you  
doesn't mean  
they are your friend.  
People pretend well.  
At the end of the day,  
real situations  
expose fake people,  
so pay attention.

However, this person disturbs the learning experiences for others and does not follow simple instructions.
