Dear Parents and Students,

Thank you for your interest in the Sixth Form at St Joseph's RC High School, and welcome to our Open Day page. I hope you find the information provided useful.

The Sixth Form at St Joseph's is successful, popular and a thriving community which celebrates all aspects of student life. From returning students to new arrivals, we aim to provide you with all the support, guidance and resources which will help you flourish and achieve all that you desire.

There is a dedicated common room and study area where students can both socialise and study. These have their own kitchen and IT facilities enabling sixth formers to gain more independence as they progress through the school. Staff are always on hand for any issues they may have and there is also dedicated admin support for the students.

Each year our students progress to the university, apprenticeship or employment of their choice with nearly 50% progressing to Sutton Trust 30 universities, including Oxbridge. We have strong links with apprenticeship providers and industry, many of whom present at our annual progression evening, highlighting all of the opportunities available to students as they consider their next steps after school.

Our results are outstanding, and we have been an Alps top 10% performing Sixth Form for the last 3 years, receiving accolades from Alps for this sustained high level of academic performance. We have also been recognised by Estyn as being *Excellent* for the Care, Support and Guidance we offer all the students in the Sixth Form.

Whatever your choices or intentions, I wish you the best of luck, and hope that you can find all the information you require on this webpage. If not, then please use the contact details provided to contact us, and we will reply to any questions you may have.

I look forward to welcoming you to the Sixth Form at St Joseph's.

Yours faithfully,

Joseph Ryan
Head of Sixth Form
